

ARS 2018 - Oral Presentation Guidelines

Oral Presentations

Each presenter will be given 10 minutes for the presentation and 5 minutes for the discussion. Your presentation will be judged by a panel of judges.

Presentations may only be given as PowerPoint presentations. No other audio-visual medium (e.g., slide, video, or overhead) or software is allowed.

You are kindly requested to prepare your power point presentation compatible with Microsoft Power Point 2010.

Prepare your presentation as a single file to run on PC as a Microsoft Office PowerPoint Presentation format file. Computers available at the conference will run at least PowerPoint 2010. Save your file as a normal PowerPoint file (.pptx). Do not save your file as a PowerPoint Show (.ppsx) file.

Arrive at your session 30 minutes prior to the beginning of the SESSION (not your presentation). Meet the audio-visual volunteer to upload your presentation on conference computer.

Presenters will NOT be allowed to use their own laptop computers. Apple computers will NOT be available.

All presenters will be given the opportunity to check their presentations on-site, before their presentation time.
